## COVID-19 Vaccine Administration by Pharmacists, Pharmacy Interns, and Pharmacy Technicians under the Federal PREP Act Declaration and its Amendments

The purpose of this bulletin is to inform Medicaid-enrolled pharmacy providers that, in accordance with stipulations contained within the Public Readiness and Emergency Preparedness (PREP) Act and its amendments, DMAS and all contracted Medicaid Care Organizations reimburse COVID-19 vaccinations administered by pharmacists and pharmacy interns (effective 2/4/2020) and pharmacy technicians (effective 3/11/2021) to Medicaid Members through the pharmacy point-of-sale system. The PREP Act includes requirements such as additional training, CPR certification, recordkeeping and documentation, and reporting that must be met to administer vaccinations under this declaration.
